The Story:

I have never had a bad punt at the DL but this one was exceptionally good. After a very slow, gentle and erotic massage (great use of all parts of your body Katie!) I opted for tie and tease and enjoyed every minute of Katie stroking, sucking, sitting on my face and finally riding me. No rush whatsoever - excellent time with a really great lady, great body and a great personality. Think I will have to use the M1 on a Friday more often in future!
