The Story:

When i got to the pump i asked to use the shower as it was a bloody hot day,when i got out i sat on the bed and waited for Autumn.when Autumn walked in I was breath taken, there was this tall red head woman wearing glasses, small black top and some hot pants which showed off her amazing bum.she looked like a sexy secretary and i knew i was going to have great time.there was lots of DFK followed by mindblowing OWO with lots of attention to my balls, then there was RO her pussy was DIVINE and tasted great then back to DFK while i played with her pussy.Autumn squirted all over my hand , this is a first time this has happened to me and i enjoyed so much.We finished with Autumn on top riding me like Red Rum.

the pump is a fantastic place with amazing girls ,I will see Autumn again she is gold dust.
