The Lady:

A delightful girl - very sexy face and body and a sexy manner too. A little different from the site pics but to my mind better looking. Three key attributes - she speaks good English, she smiles a lot and she's bright and intelligent. Natural (and very attractive) boobs. A way above average girl.

The Story:

After spending a little time with her I extended the booking because it was clear she was such good value - very sexy and a real feeling of GFE. I got the impression that she would have been happy to do anything I wanted but I was tired so we kept things simple; but that doesn't mean boring in the slightest.

Lots of girls can keep you turned on for a 1 hr visit but not many girls can keep a man enjoying a visit for nigh on 3 hours; this girl did.

Definitely a girl you want to see again - because she's hot but also because she's really good company too. Very good value.
