The Story:

I have seen Nicoletta several times and, if she agrees, will continue to do so. She is exactly my type of girl, petite, slim and a cute pretty face. Her English is impressively fluent and she has a bright personality. For those who, like me, seek the perfect GFE, it does not get any better than this. She kisses sweetly, has made an art form of oral and is very expressive when having sex. She makes sure she enjoys the meeting as well as her client, which I find a great turn on. I am looking forward to the next time.
