### The Premises:

The place was spotless, located on a small industrial estate in a specific unit. There was a few people around but no body seemed to take any interest. The maid was waiting outside the door as it was my first visit and I was not sure where I was going! I felt very safe. I think they have different girls working on different days.

### The Lady:

Jessica is a Polish 25 year old. I must say she was very attractive with long dark hair and a body to die for. Her breasts are without doubt the best pair of breasts I have ever had the pleasure to see, touch and kiss. About 5ft 6 when she took her heels off! stunning thats all I can say

### The Story:

I really enjoyed my hald hour with Jessica. She wa svery chatty, but had a very strong polish accent. Lots of kissing and cuddling. She is very safety concious and I was allowed to touch her pussy but not allowed to put a finger inside. This really did not bother me though. Covered BJ, before I asked to take her doggy style. It did not take long for me to expolde! Jessica then gave me a very nice back massage for the last 10 mins or so.
