The Premises:

The location is a Basement flat about 3 minutes walk from Baker Street tube station. It is very clean inside and well decorated. It has a discreet intercom entry.

The Lady:

Kerry described herself as Korean, but I think she is probably Chinese. She is young and slim with enhanced D or DD cup breasts.

The Story:

The massage was good a mixture of soft and sensual. I'm not a fan of enhanced boobs, but Kerry's large, pink areolas made up for it. She let me have a good feel and suck before asking me if I would like uncovered oral for another 10 pounds. I'd initially paid 80 for a half hour and another 10 seemed worth it. She was very good and I really enjoyed the experience. She then put a condom on my now throbbing penis and climbed aboard for cowgirl. She then asked if I wanted to switch positions and I chose from behind. After a couple of minutes I asked to be finished by hand and the finale was delivered expertly.

I believe other girls work from this flat.
