The Premises:

Cheap and cheerful, entrance right on main road, so very obvious, but then this is Attercliffe's punting square mile.

The Lady:

Petite, very sexy and good looking young woman. Long brown hair, several tattoos. Dressed in black satin top, black stockings and undies. Chatted to her earlier in the week while I was waiting for Alexi to be free. Said she usually works Thursdays and was only filling in on Tuesday. Made mental note to return.

The Story:

For ?30 quid all in you can't go wrong with Dawn. Gave her a quick massage then lay beside her for some great french kissing and cuddling, before she gave me blissfully good and deep oral without. After a few minutes I said it was time for sex, so Dawn asked how I wanted her. On her back she went and after five minutes or so I finished, with her legs over the top of my shoulders to give deep penetration. Great girl with a fab attitude in the room.
