Profile Name: Mature Independant Escort In Nottingham

The Premises:

We met in a hotel which Dianna recommended. The lady has good taste, the place was excellent.

The Lady:

Tall, and extremely attractive. Her web site gave the impression she was sophisticated and businesslike while at the same time, down to earth and game for a laugh.

The Story:

After the initial meeting we had drinks and a meal in the restaurant. Dianna is great company and we chatted on various topics all of which she appeared to have an interest. Full marks so far! The meal was anything but hurried and she gave me her total concentration throughout. I was given the impression of being the only person that mattered to her - she really is a true professional. Back in the hotel room, I enjoyed an evening of extreme pleasure and satisfaction and her body massage is exceptional in every way, worth the fee alone! Dianna calls herself a professional and if anyone want's to know how good a proper escort is, book Dianna, but do it soon as this lady is going to be very busy.
