The Lady:

i seen her reviews and remarks were based on her deep throat skills and rimming service so i had to try her.

The Story:

i must say it was worth all the money, and i even got a discount which was promised by the receptionist.

Well, straight to the point , she cleaned me off, went on her bed, pillow under my back, and she started rimming, i had about 15min of that and i had to stop her to let her know i just wanted deep throat fuck and to cum in her to swallow.

She said ok what ever you want,

so she laid down with her head hanging down , and i fucked her mouth until i came, she wanted sex but unfourtunately i was in a hurry. leila is fantastic and ill defenitely revisit her , for the full deal. She is the best for deep throat , rimming and banging to you worn out.
