The Premises:

A nice, clean and compact apartment in the Harbourside area. The area is busy with bars and restaurants but you remain anonymous. Nobody is interested in your business. I felt totally safe.

The Lady:

A knock-out Lithuanian brunette about 5ft8 - 5ft9. Gorgeous and slim but with a shapely body. Shoulder length black hair and beautiful green eyes. You will not be disappointed. She takes pride in her appearance.

The Story:

Natasha is an adventurous, raunchy but very easy going lady. It was a breeze setting up the meeting. I won't go into detail about what went on that is between me and Natasha. She is absolutely fantastic to talk to. Friendly, intelligent and enchanting I'd be happy just paying for the time speaking to her!! I enjoyed myself immensely. I know it's a cliché that is said here - but be respectful to her, she doesn't deserve anything less. Will I return! You bet I will, but for much longer next time.
