The Premises:

The road was fine and parking was easy. The house itself looked a bit unloved and was the same inside. The bedroom however was fine. There was no shower so I had to wash myself prior to our time with cold water - there was no hot.

She said she was stopping over in the place prior to moving (but I have a dim recollection she said the same thing to me when I saw her nearly two years ago.

The Lady:

I think she's very attractive - tall, slim, large breasts (albeit enhanced), long dark wavy hair and good looking.

The Story:

Frankly I was a bit disappointed this time, Sara gives a great bbbj - and offers it covered if you wish - but she doesn;t do many of the things on her profile, and still doesn;t receive oral. Even though this was 30 minutes it still felt a bit rushed, however the actual sex, and the climax, where I came in her mouth and she dribbled it down her chin and breasts was very nice.

I don't think I'll revisit, but I would recommend.
