The Story:

One of my best punts ever. Had a really hard work at week and was totally knackered plus the fact that I had sex the night before (stupid I know!), so was having trouble staying hard.

But Elise was having none of it. Amazing deep sensuous OWO soon got me hard and everytime that it seemed like I was going flacid again she would take off the condom and get me hard again with the most amazing OWO, she ended up using 3 condoms in total throughout the punt but never complained.

We ended up doing it all, OWO, RO, 69, doggy, cowgirl and mish where I finally came whilst deeply french kissing Elise. She cleaned me up and I thanked her for her perseverance but as I had 13 minutes of my punt left she asked me if I wanted a massage, to which I replied if that's what you want to do. She replied 'what you want to do?', I joked that I would like to come again but unfortunately that was no longer possible at my age, to which she replied that I was not old and she had punters much older than me.

We started DFK and rubbing up against each other and after a few minutes familiar stirrings started again helped by her incredible OWO skills but I was only semi-hard and told her to stop as I was not going to be able to come again.

However, Elise was having none of it and proceeded to spit on my cock and vigourously perform hand relief. I kept telling her that it was unlikely to happen but she refused to give up and about 3 minutes of this and I popped my 2nd load bang on 28 minutes.

She cleaned me up and gave me one last kiss before sending me on her way.

I plan on making Elise my only regular in Milton Keynes as she is that good but mainly because she genuinely seems to enjoy what she is doing and is willing to go out of her way to make sure you are really happy.
