The Premises:

The flat is situated near Queensway and is in a quiet side street. Her room was small but intimate and just right for the action that followed

The Lady:

Petite with lovely long hair she is small on top but thats how I like it.Very sexy arse.

The Story:

She greeted me in PVC and we soon got the finance out of the way. We had a bath and she soon discovered my best friend and proceeded to give a lesson in OWO. We dried off and went into her room where she got down on her knees and continued the performance.I then turned her over and spent the next 15 minutes exploring her sweet pussy and butthole.Lovely.She then went and found some toys and proceeded to use them to best effect on me and herself.We spent the last 20 minutes fucking in every possible position and in every hole. She sent me on her way a happy man.I will come again.
