The Story:

I've met Kandi a few times, but has been a couple of years ago now, nice that she remembered me, took a couple of minutes to wait for the room to be free, time to have a chat to the friendly receptionist Lilley and also the lovely Isobella.

Up to the room, kit off and onto the massage table, Kandi wanted to show off her bolt ons, which I'd not seen before....nice, lovely knockers!

Then onto my front for a relaxing massage, Kandi has some talent, and Is very chatty, one nice moment was her standing over me, and her big boobies resting on my head as she worked my body, onto my back and Kandi got more oil out to give me a body2body, very nice feeling. She gave an excellent HJ with oil as she talked filth, naughty girl hehe. I will return soon no doubt.
