### The Premises:

Neat appartment just of Kensington High Street,close to tube,very safe/discreet.

### The Lady:

Looks like pics,blonde,fit,lovely smile,tanned,nice legs and boobs.

### The Story:

Well Toni looks the part but that's as far as it goes.

Services were sub standard for Maxes and very poor attitude.

I felt rushed throughout and Toni is a bit of a clockwatcher, wanting me out with 15 minutes to go.

As for services her BJ did,nt involve any sucking, just ramming her head up and down quite forcefully which is,nt sexy at all, handjob was quick and slightly painful, her lapdance did'nt involve any laps and no music, seemed to me she had another appointment straight after me and wanted me in,cumming and out again in the shortest possible time.

No CIMS although advertised on website, no rimming either way although once again advertised on site.

A very pretty and fit lady but not a Maxes Angel.
