The Premises:

Very nice plush apartment in the city's West End. Very clean inside. Warm and cosy, with a very comfortable bed room.

The Lady:

Curvy, tanned, busty brunette. Very shapely size 12 figure i would guess. Fantastic bum, and great boobs.

The Story:

Kandy Cain, is none other than Randy Raine - The pornstar. Saw she was in the area under her new name. And couldn't pass up the opportunity. I arrived on time & Kandy was dressed in a sexy skirt, boots and a gorgeous pink bra. Had a nice chat with Kandy & told her i had seen some of her movies & a bukkake film which i enjoyed. She said she was getting back into bukkake & partying. Anyway i paid up, ?130 a very reasonable price for a pornstar who are generally ?150-?200 & A-Levels was inclusive. Kandy gave me a great BBBJ one of the best i've ever had, she was an expert. I spent a great hour with her & had incredible sex. I never felt rushed and more importantly, she seemed to be enjoying it. Not at all a pretentious porn star. One thing i would say is that she was very tanned, a bit too WAG tanned for me. Also she bills herself as a BBW but she has lost weight from the films i had seen her in. She is leaving Glasgow on Monday, but said she will be back in October. If you get the chance see her.
