The Premises:

Very popular venue. Rear entrance if you feel exposed using the front door next to busy Narborough Rd. It is at the top of a galvanised fire escape staircase.

The Lady:

Demi has the most wonderful body. Her photos on the web-site are genuine and don't really do her justice. Attractive face too. Beautiful shaven pussy too.

The Story:

Satred with an excellent and lengthy back massage where Demi teased my balls. Over on to the front and she gave me a full run down of the menu whilst getting me rock hard. Had a wonderful relaxing time with a lady who made me feel very at home - with her riding cowgirl and finished in mish. Great mirrors in room. Left with a big smile on my face. The only negative I have with the parlour is the inability to make bookings. However, Demi said regulars can - so that is what I will do in the future.
