The Premises:

GFE is a well-established parlour. Entrance is via a back-door security system, which ensures anonymity. Three ladies were on offer principally, Melanie (having seen before), Emily, a slim, tall Polish girl, and Jen, the new girl. Tia pitched up shortly after but appeared rather imposing in appearance and manner.

The Lady:

As described before, Jen proved to be a rather petite, tight-bodied lady, with a sensual 32-C bust (and not advertised as D by the establishment), who proved to be extremely chatty with a gentle disposition. Mild-mannered is the best adjective I can attribute to this personable North-Easterner and an excellent service-provider. 30+, she'll happily illustrate her views and philosophies and is straight-forward in a rather refreshing manner.

The Story:

Frequenting the Sheffield area once again, I am visiting some of my old haunts. GFE proves to be the best of them all with the standards as they are and the quality of the girls remaining high.

I wasn't amazingly impressed with the ladies that were on offer on this Friday morning and Jen stood out as clearly the most appealing.

now, for a Geordie, this lady is actually very approachable, and believe me, having grown up in the rival county to Newcastle, I have meant many an unpleasant person from that region. However, I can not fault her amicable, happy-to-go lucky bubbly nature and her forthright approach is something that I can deal with very readily.

Very unique to this experience was the way in which she deliberated on what flavour condom she should use. This contemplative approach to the service was rather revealing and illustrated that she took the proceedings very seriously indeed.

Oral performance therefore was accomplished with much relish and I applaud her dedication and enthusiasm to tackle this task with the due courtesy that was applied.

Sex thereafter was enjoyed mutually and this is no lady to act or pretend accordingly. It was clear when pleasure was achieved and when not, and there was a no-rush, committed aura to the whole experience.

Pleasing to see was that hygiene played an important role afterwards, as Jen was eager to get

cleaned up and spruced herself appropriately in the shower before the proceedings were closed without incident.
