The Story:

After a shower I went into the room and started deep french kissing Maria. I then liked her body including her nice feet. i asked he to face sit me and I licked her beautiful, shaven and nice smelling pussy. She seemed to enjoy it a lot. She put me a condom on, we did some 69 followed by sex in the missionary position. During the time we were constantly deep french kissing. What a wonderful feeling! I eventually climaxed and we spent the rest of the time cuddling and french kissing. Maria is a wonderful girl. I will visit her again She promised that the next time she will give me a nice golden shower.
