The Premises:

Same place as previously reported on (see FR 104788). Excellent, clean, tidy & lots of nearby free parking.

The Lady:

Amber is a gorgeous, tall (about 5ft 7) slim & toned girl with auburn hair, fantastic natural 34E (I think) boobs, and a bum & legs that could make a gay man go straight. I have known her a while since she used to work for another agency and she is always the girl I revisit the most

The Story:

I am a conventional sort of guy in the bedroom I think, so a bit of oral (give & receive), reverse oral & sex are all that I require of a lady, and these are delivered extremely well indeed. Amber has the most perfectly toned body, and the nicest tasting lady bits I have ever licked! She is also very responsive without making all the fake noises The most important thing though is that Amber is a lovely personality wrapped up in that fantastic figure and most men could only dream of having her as their full time girlfriend because you can have a normal conversation with her as well as getting up to all kinds of naughty fun. Agency Bella is without doubt Brum's number one at the moment and all their girls should be treated with the utmost respect
