### The Premises:

Fit for purpose flat above a shop on a main road. Plenty of free parking in nearby side roads. On bus routes, but don't ask me which ones; I don't do buses! This establishment has another branch in Greenwich. Somewhat shabby but clean. This time we used the larger front room.

### The Lady:

Malaysian girl, looks 32 says she is 42 ! Lovely firm body, her top half was almost like a body-builder! Very friendly and accommodating nature.

### The Story:

A very pleasant session with a woman that obviously takes pride in her profession. Good "O" levels albeit covered, then she came on top, half crouching and half up on her haunches to ride me to a satisfying climax

Another excellent and good value punt at Tickle's.
