The Story:

I have seen this lady before quite some time ago under another name, the thing i liked about her. Is she will do almost anything except anal, she loves dom hard sports and watersports, caters for the more kinky type of client, you can request anything she will most likley oblige. i had a nice tie and tease with uncovered oral very nice, she does what it says on the tin and well worth forty quid if in the area with an itch in your pants
