The Premises:

Hannah has a charming and extremely clean studio flat, on the ground floor of a well kept converted house. The house is situated on a main road and quite close to a bus stop, so I felt extremely safe there.

The Lady:

Hannah is an extremely young-looking, 41 year-old woman. Although she is on a MATURE site, she looks a lot younger than her age. She has a beautiful, toned, very curvaceous, NATURAL body and is extremely pretty. Her photos on the escort website are really good and current photos.

The Story:

Hannah is very tactile so there was lots of body contact and kissing. It was like being with someone that I actually knew and i felt very relaxed in her company. Hannah only does SAFE play, so I felt even more confident when we actually got down to doing it! A very enjoyable experience that I would thoroughly recommend to others.
