The Premises:

Clean suburban house on street off Narborough Road. Lots of free on road parking.

The Lady:

Describes herself on another site as MILF and GILF. She is more the latter than the former. Realised when I drew up that I had been here before some years ago and I had "bottled it" on the doorstep. I wish I had done the same on this occasion.

The Story:

I just couldn't find the lady attractive and I am suprised that a previous report was so favourable. Won't go into details but I didn't try very hard and neither did she. Worst punt for ages.
