The Story:

I'm not particularly experienced in this business of seeing escorts so my expectations weren't high. Something in previous feedback and Stephanie's photos told me this would probably be good. I wasn't dissatisfied. Charming, witty, attentive and ever so sexy. Over the two hours we spent together, we did everything I could have hoped for. Stephanie was all about ensuring that I was satisfied and I was. And how... I can't imagine a GFE being better.
