Much better looking in person, excellent dominant demeanour and very busty.

The Story:

I have seen Mistresses for years and Mistress Josephine is one of the best. She is skilled, puts you in your place and has a great array of equipment. In terms of the actual session we covered boot worship, trampling, smothering, breath play and strapon. Strap-on is one of the things I enjoy most and when I am dosed up on poppers and in her sling being used I am a happy slave! Highly recommended!!!
