The Premises:

A Short walk from Lancaster Gate tube. Basement flat with 3 bedrooms and a reception to relax in.
A good place for the purposes.

The Lady:

There were 7 girls and maybe 10 guys.

Victoria (busty brunette brazillian. Actually remembered her from 2007)

Jodi (mixed race English girl),

Izabella (tall, slim, East European brunette and really fit),

Nicole (blonde with big tits. Not sure where she's from)

Jewels (English brunette)

Yasmine (fit petite Brazillian)

Karina (unbelievably fit petite brunette. Not sure where she's from)

The Story:

Last visited LMP in 2007 and thought it was time for another visit. Were maybe 10 guys but some of them left early or arrived late so there was always a girl or 2 looking to pleasure you.

Started with some owo, RO and some shagging with the gorgeous Yasmine.

Moved onto a 69 with Nicole.

My first shot was with Jodi blowing me off and at the same time I was groping Jasmine's tits with my right hand as she was riding the guy next to me and Karina's tits with my left hand.

2nd shot was after I chewed Nicole's tits on the swing when she was getting eaten out, I went for a lie-down and a blowie with Jewels and then Izabella took over to take me to completion.

Thought that would be it as I'd struggle to get a 3rd shot but the party ended with the remaining guys all in one room (maybe 4 of us left) and the 7 girls desperately trying to coax some juice out of us. Somehow I managed it with Jodi wanking me off as Victoria and Karina took a nipple apiece with their mouths!

All in all an amazing experience. All the girls are attractive to very fit and they set the pace with their aim to pleasure everyone as many times as possible. Got to take your hat off to them.

Not really my scene but makes a good change. Will I return? Well I did the following Friday and despite struggling with my energy levels was looked after and had another 2 shots with Victoria and Jewels in attendance again and other girls I had the pleasure to sample were Ariana, Angela and Tori.

Recommended and if you're thinking of dipping your toe in the party scene I doubt if there is a better place than LMP. Perhaps I will only limit to an annual visit.
