### The Premises:

Lovely clean flat - very well presented

### The Lady:

40 something very pretty mature lady with the unusual but very welcome pubic bush not seen on too many working girls these days

### The Story:

Pearl offered nme a drink of coffee etc, I chose water. we discussed what I would like and she also included some other bits. I had a very sexy oil rub down (Not too many working girls take this part of the service as seriously as Pearl did).

Covered blow job and full sex in many different positions.

Pearl is a Gem
