The Premises:

Small studio flat, ladder stairs to get to the bed above living room.

The Lady:

Photos are heavily photo shopped, not as youthful or as glamorous as the photos suggest. Enhanced boobs but very well done and nice and soft.

The Story:

A very average punt, very talkative and a nice girl. The service was a little lacking though. Started with OWO which was good and the best part of the visit. Then I proceeded to go down on her she is clean and very responsive making the right noises. A few positions before I finished in missionary.

Shower and smoke and then we chatted for a while, I could tell she wasn't really up for round two and did not push her on it.

For this price her service was much to be desired of, I will say she is a nice girl but not as attractive as the photos suggest. I've had worse punts so she still gets a recommendation but be warned its a very average service.
