The Premises:

Lady Ruby or Nana Ruby as she is sometimes called works from her own nice comfortable home in a nice neighbourhood very safe no problems there

The Lady:

Lady Ruby is tall quite late fifties, about 5ft 10 a large attractive lady of mixed race, not someone you would like to upset, but someone you soon learn to respect, you will find out if you dont take off your shoes upon entering.

The Story:

Lady Ruby is very versatile mainly dominant lady, however today I had the adult baby service after arriving having wet myself. I was forcibly stripped laid out on a massage table and cleaned and powdered, with a little verbal humiliation shot my load in no time. She has a good imagination and seems to listen and take on board what you want, others I have been to seem to have a memory lapse after the fee is paid but not here, next time I will have the hour service
