### The Premises:

A ground floor flat, converted into a very nice, clean, venue. Bedroom was large enough, clean and comfortable, with sofa as well as bed.

### The Lady:

Gorgeous! She is very petite, but also curved beautifully in all the right places! For once the pictures are correct, if anything she is better in the flesh.

### The Story:

Wow! I have always liked far eastern girls, but up to this visit reality did not live up to the fantasy. Well that changed with Mei. She is bright, very sexy, and knows how to please a man! She gave me a drink (juice) whilst she got ready, and returned looking good enough to eat. After kissing, and undressing, Mei gave me a fantastic OWO (almost too good!), and in 69 she tasted fantastic (I told you she was good enough to eat). On to sex, cowgirl, then mish, which was far too nice after the oral - I almost exploded (Mei kindly asked if I was OK).

I do not pass MK very often, which is fortunate for my wallet, as Mei could become very addictive! Wow indeed!
