### The Premises:

reasonably clean and tidy, I think she lives here

### The Lady:

Blonde shoulder length hair - small pert boobs and very slender and muscular. Small tattoo on her stomach and a tasteful one on her shoulder. Nice shaved pubic area. Quite a beautiful lady - Mid 20's

### The Story:

Great sex. Covered BJ, I sucked her till she came, I think she loved this. She kept on stopping me just before she came, as she likes to stay in control but then we would carry on and she then lost control he he he.

Not the sort of girl I would date long term, just talks incessantly but a terrific sexual encounter. Good shag to finish, all in 30 mins. I will be seeing Hannah again as she was the only girl available in that area and it is on my way to a job I have for the next couple months, however if she is available and you want to have good sex with a beautiful, fit, thin and sexy looking lady then Hannah would be a good bet. She comes across as a very sexy kinky lady
