The Premises:

Was dead clean. In fact my mother been impressed. The skirting boards even had a wash!!

The Lady:

Drew & Zoey...

Totally and utterly fit as fuck. did I mention that they were fit as fuck. Sorry I seem to have lost my sense of being.... did i mention that they are totally fit.

The Story:

OK let me split this and then bring it together....as basically thats what happened anyway.

Drew..... Think of a exceptionally fit helena bonham carter. But a million times sexier. She was well canny. Made me feel completely at home. We were getting down to it and then in my drunken Geordie state and she suggested (mid blow job like) that her mate Zoey would be a exciting addition to my depraved party. I reluctantly accepted her change of the course of action.

Que Zoey.....

when this leopard skinned bombshell entered the room I was glad that I had necked 20 pints beforehand. Otherwise I would have had an embarrassing accident way to early for the geordie liking, and I bet the mighty Zoey would have been none to chuffed as well.

rather than be a perverted geordie and bestow the intricate details of what happened next, suffice to say that I have never in my pathetic geordie lifetime witnessed what happened next. I will list the highlights....

2 girl fairy ;icking
...and fingering

plus full on snogging...I had to tell them to show me some attention!! Dirty girls

Was left in a state of absolute eupria,,, akind to man city winning the cup....they r both city fans by the way.

Next time...and to annoy them prefusolrly...Im gonna make them have the same lesbian session whilst wearing newcastle united shirts.

An act that I hear they will be more than happy bto oblige.

Would reccommend any honest, genuine and hardworking punter to nsee these lasses.

im a geordie. trsut me.
