The Premises:

Nice house in road off main drag. CPZ's locally but there is off street parking although some may feel a little exposed parking there.

Been looking for a new local fall-back place for a while. Big up to Czechmate on the Forum for recommending this place. Very pleasant manageress d'un certain age. Not heavily promoted, very low profile house. Has a link on Ace Massage and a website that could do with more detail especially re services and rates, location etc.

Rooms large, airy and clean.

The Lady:

Spanish cracker. 22 y/o and very pretty. The face is blocked on the website. Tallish, great figure, slightly enhanced boobs, Mediterranean complexion. Raven-tressed.

Moderate English but despite that still made the effort to talk afterwards. Lovely personality.

The Story:

Excellent session. Started off with OWO which was delivered as I like it, not too roughly. Bit of 69 then bit of RO. Then missionary. Her French Kissing was excellent too. Unusually for me I came quite quickly. Did not get chance to try other positions and don't normally manage a second round any more. Tribute to how well the punt was going that I blew so early.

Then we had a long chat, lots of stroking and cuddles.
