### The Lady:

In her mid to late 20's, size 8-10, 34DD boobs, beautiful Brazilian woman with beautiful brown eyes and great lips. She was wearing a sexy gold and black coloured lingerie set. Her body is well toned too.

### The Story:

Karina was running a bit late for our 12:30 appointment so I sat in the room until she came in about 5 mins later with a drink. Began by chatting and deep French kissing on the couch. Kisses were great, deep and with good use of tongues and lips. After a long kissing session, we undressed and moved onto the bed for yet more kissing. She then began to give me a really good prolonged blowjob. There was eye contact and good use of her tongues until I cummed in her mouth. CIM was well performed and felt good too.

Round two began with some more kissing and boobs sucking. Her boobs are enhanced and felt a bit too firm for me, but she has lovely big brown nipples. Moved onto reverse oral until she cummed and she tastes sweet. More OWO on me, with good use of tongues on my balls too before fucking in missionary and cowgirl. Finished with a great hand job.

Overall she gives really good blowjobs and kisses well too. Overall 8/10 so recommend.
