The Premises:

i'm a regular here but i have to say the new girl they have called natalie is amazing.the place has lots of different styled rooms and it is massive.you are greeted by a maid and shown to a room to await the ladies.i felt safe and very well looked after.very clean and smelt likewise

The Lady:

long black silky hair,sultry blue eyes 5"8 toned and tanned.stunning bottom and hudge natural breasts.thick full lips.

The Story:

i automataclly picked natalie she is hands down the best i've seen in a long time. the service was amazing as she offered me a massage first and was in no hurry to rush me as she rubbed me down with oil(she has a diploma in massage so knows what she is doing)she turned me over and we began to kiss. the best bj ever! she is out of this world!started off on top and mover to doggy and she enjoyed every minute as much as i did,nothing fake about her!
