The Premises:

Very acceptable flat near Paddington Station (but closer to Edgware Road). Nice bedroom, very good shower facilities

The Lady:

Lovely - as described on the website where the photos are very airbrushed. I'm sure it's the same girl but I found her very attractive without all the makeup on

The Story:

Great Punt. Had my obligatory shower to start with. I had originally wanted to see NaNa or Love so Nomi was my 3rd choice but turned out to be a real winner. Lots of great OWO, lots of 69, lots of face sitting (which she seemed to enjoy immensely), lots of wanking (both of us), anal play (same), then sex and anal sex. I finished up coming over her tits, which although enhanced were very nice. There was lots of nice moaning from her, and judging by the wetness of her pussy I'd say she got quite turned on.

This was a good value for money meeting.
