### The Premises:

Upstairs flat in quiet cul-de-sac. Room cosy and fit for purpose

### The Lady:

Tall slim pretty black girl as reported before but with blonde hair now. Could easily have been a model. A cliché, I know, but in this case quite true.

Lively, chatty personality. I defy anyone not to get on with her.

### The Story:

Started off with oral then passionate FK. Fingering including deep anal. Then started anal, but hamstring cramp on my part put paid to that.

Chatted for a long time and ran out of time to find a way to finish off but she is so good I will definitely be coming back for another go.
