The Premises:

Lovely clean place, very discreet but easy to find (especially if you use the alleyway that Claire will helpfully give you directions to). She opened the door as I approached and greeted me with a lovely smile.

The Lady:

Curvy girl with jet black hair, mesmerising eyes, and a deliciously wicked yet innocent smile. Fabulous pair of tits and shaved pussy. Claire smelt clean from head to toe.

The Story:

Claire likes to engage in lots of touching, kissing and cuddling. Perfect for this newbie who admittedly was somewhat nervous. She put me very much at ease. I found her very easy to talk to, and we chatted and laughed throughout the whole visit. Drink and/or cuppa offered as well as shower at end of visit.

After lots of touching and kissing, I discovered that Claire loves to receive oral, and I spent most of my visit spoiling her in that respect. Watching her writhe in ecstasy was a huge turn-on. She gives a BJ to die for.

Very sweet lady who deserves to be treated with respect. I'll be back for more.
