The Premises:

Very clean and tidy parlour in a block of flats on the Hull Road in York. Safe and easy parking outside

The Lady:

Wow. This girl must be the most attractive I have seen in a parlour. About 23 years old but an absolute body to die for. All over body tan and perfectly formed 34b breasts with teen puffy nipples.

The Story:

All over massage to start and then she started on the oral with. I was allowed to rub and lick her pussy but not insert them inside. We moved into a 69 (Additional cost for reverse). We did this for 10 mins then I was hard and we did it in the missionary position.
