ok place on the wezzy, clean and fairly discreet

The Lady:

Tall blonde, wearing stockings, not too bad looking but not in good shape. No offence intended to the lady here but she was fat, not a minger or owt but if I wanted a fat bird I'd stay home and have the wife, I punt because the wife has let herself go and put on weight, I punt because I want a woman who looks after herself.

The Story:

An enjoyable enough punt, Mel has a sexy voice when she talks dirty, great oral, pleasant girl, would've liked her on top but she'd have killed me so went for doggy and mish. Torn here whether to give a yay or a nay, nice girl, enjoyable time, no regrets, but for me I like a fit bird rather than a fat bird, if you like em big then this is your girl you won't be disappointed but if you like em fit then go elsewhere.
