### The Premises:

This is a new parlour, using the premises of a former nightclub and has been refurbished to a very high standard, room and shower facilities excelent, definitely one of the best I have seen. Highly recommend. On the Attercliffe Road so in the Sheffield punting district.

### The Lady:

"Denisa is a stunning young lady from Romania. Just 18 years old, slim, tanned and toned with a firm dress size 6 body to die for!" This is taken from her website page and is absolutely true, one of the lovlies young ladies I have had the pleasure of. English ok, just couldn't take my eyes off her beautiful naked body, gorgeous!! And there were four other equally gorgeous young girls to choose from at reception, obviously I will be back to sample them, they were all very cheerful and happy which is a good sign.

### The Story:

Quite a few options available literally on a menu card, I chose the GFE which includes OW, RO and kissing. Denisa asked me to shower first (not that i was unclean) this impressed me as cleanliness is clearly important to her, very reassuring. I took up most of the half hour with RO, cutist little pussy I have ever seen, clean, fresh and sweet and she smiled and giggled all the way through. Five minutes OW which was nice, lots of licking the shaft and bell which I like. Finished in missionary and lots of kissing, not French but nice all the same and made the experience very real.
