The Lady:

One lady was a good looking slim blonde about 55/60 with a bob. The other was dark with long wavy black hair and dark eyes about 49 - a bit weird as she talked fast and randomly as if she was on drugs/medication.

The Story:

Basically this was a rip off.

I booked an hour with the '2 delicious ladies' who are also on the AW site. This was for a short lesbian show and sex with both for ?140.

I turned up and all seemed well for about 20 minutes (massage etc) but then they said they couldnt have sex because 'they didnt have a condom' and 'were on their period'. I pointed out that they had agreed to sex (which it clearly says on their website)and shouldnt have accepted the booking. I asked for a reduction if they were just going to do the show with just a blowjob and they offered to take ?20 off! Much arguing ensued and I eventually got more back after threatening to call the police. I just wanted to leave at this point.

I would advise anyone booking two mature girls in Bristol to be very careful in case you get these two. They called themselves Sam and Crystal but have also advertised as '2 horny ladies' and '2 delicious ladies'. I have used escorts for some years and had no trouble at all - but watch out for these two.
