The Premises:

Well reported location in MK that provides ample adjacent parking depending on the time of day. First floor flat which is clean and tidy. Nothing special but this isn't a review for Grand Designs.

The Lady:

Exactly as in her pictures but better in the flesh. Cute pretty face.

Her name suits her hair, body and impish smile. Was wearing a sexy tight fitting leather dress and high heels.

The Story:

Have visited Annabella's several times over the years and have never been disappointed with any of the girls and that was the same again on this visit. Had never seen Pixie before but she had been recommended to me by Lottie for a tie and tease with toys.

Was met at the front door by Pixie and ushered into a nearby bedroom whereupon with a twinkle in her eye she gave me a full lingering kiss on the lips and proceeded to undress me. This girl doesn't hang about and I was soon naked and her looking gorgeous in bra, pants and heels. She ordered me onto the bed and handcuffed me before getting undressed herself to reveal her beautiful breasts and shaven pussy. She may be petite but has a wonderful full body. Her eye contact and eastern European accent I found a turn on so it was no surprise when with the full attention she was giving me with her lips and tongue on my mouth, nipples, body and cock that I quickly got erect. I wanted to compliment her on her technique in order to slow her down a bit but was met with the response, 'No talking, you are mine now to do as I wish, yes?? Well I had sought this service so I wasn't going to back out now. However what happened next is between me and Pixie.

How Pixie managed to keep me on the edge for so long is down to her expertise and with the help of some of her toys. I was offered by Pixie several choices of how I wanted to cum, including how many times! All I know is I loved every full 60 minutes of it and cannot wait to return and sample more of her delights again. The next time may include a duo with another girl as Pixie seemed quite

up for that as well. Definately an adventurous young girl.

Why she hasn't got any prior reviews I don't know but I am glad to provide one which I am sure will be the first of many.

Thank you Lottie for recommending this cute gem.
