The Premises:

Quite a nice discreet basement flat in the Paddington area. The bedroom was comfortable and warm, the shower was fine.

The Lady:

Just like the pictures. Petite, and perfectly proportioned, with flawless skin, lovely firm breasts and a nice little wisp of pubic hair (a nice touch that).

The Story:

After the enthusiastic reviews on here I just had to go and find out for myself if they were warranted, and I ended up leaving her flat wondering if a punt could get better than this.

Love is a charming, endearing, charismatic girl who imbues humour and good grace into the entire time you are with her. She's been described as 'crazy' - I think I'd go with 'quirky'.

Anyway, she greeted me with a big smile and kiss, we got the money out of the way and she ran the shower, undressed me and hung my clothes up. She then proceeded to thoroughly wash the bits she knew would be important in the next hour, and then left me to finish off and dry myself. Then the fun started, OWO, 69, rimming, face-sitting (during which she came), more OWO, then on with the condom for some sex, and anal. She is so petite that her pussy was tight to begin with but she managed to squeeze my cock while I was inside her, and I still can't quite believe how I managed to have anal sex with her, but she actually encouraged me to go deep and hard. Anyway I finished in her mouth with her on her knees, she stood, kissed me and passed my spunk to me, and I gracefully (!!) passed it back to her, she opened her mouth wide to show me it all and then disappeared laughing to dispose of it.

I had a shower, and then, because we still had 10 minutes left, she offered me a massage, which I accepted and was relaxing and firm.

I found Love to be completely charming, and will definitely visit again.
