The Story:

Wow, still recovering from my visit. Will try to focus and provide some useful info here, even though very tempted to gush as I had a truly great time with Hannah.

A very warm welcome from the moment she entered the room, Hannah looking simply stunning in matching black stockings, heels and g-string panties. Started with french kissing, then savouring her breasts and quickly moving on to her pussy for RO - fresh, clean and so smooth. Moving back up for some more french kissing and she seemed even more passionate and intense after receiving attention below, wonderful buildup.

Superb OWO, starting with licking and sucking of balls, delicate licking of shaft and finally taking my whole cock deep into her mouth, all the while her gorgeous bum sticking in the air and smouldering wicked glances as she worked her magic. Soon had to ask her to stop as I was already getting close and didn't want to finish quite yet.

She rode me cowgirl, occasionally slowing the pace for another smooch or to allow me to suck on those lovely breasts. Changed to doggie which she told me is her favourite, calling out seductively "are you enjoying the view from back there?" Oh God yes. Wonderful tight pussy and again I could easily have cum at this point but was greedy for more experience with her. Changing to mish accompanied by some encouraging filthy talk, pleading with me to fuck her deeper, finally gave in and came inside her. Had a few minutes to rest while receiving a sensual back rub.

Friendly, natural and stunningly beautiful, I loved every minute of my time with Hannah - could easily become addicted and already craving more of her.
