The Premises:

Clean modern apartment near MK shopping centre carpark, good shower facilities also.

The Lady:

Firm and toned, amazing curves, long auburn hair and stunningly beautiful.

The Story:

Lovely smile and full-on kiss from Valerie on first greeting, after which she tottered away briefly on high heels to have those gorgeous long shapely legs attired in nylons at my request. Soon back in the room, jumped on the bed and invited me to join her.

Lots of great DFK to begin, gave her lovely firm breasts some attention before enjoying RO on her pussy, then back up for more DFK. My turn to receive highly skilled OWO before being covered and Valerie on top for cowgirl. Switched to doggie and came inside her, thorough satisfied.

Received a relaxing, sensual massage, then more DFK which soon got me worked up again. Usually I stick to half hour only as there are so many great ladies in MK and I try to sample a couple on each visit, but wanted/needed more of Valerie so extended the booking for another 30 minutes.

Included mish in round two and finally climaxed with Valerie on top, full credit to her sexual skills as this almost never happens for me, usually enjoy cowgirl as a starter only.

Went a little overtime but no fuss at all. Valerie is only occasionally in MK and I count myself very fortunate to have had the pleasure of getting to know her, will be looking out for her again.
