The Premises:

Detached house off a country road near Chippenham. Car parking in the driveway. Very safe and private. House was clean and tidy. Massage carried out in dedicated room with massage table.

The Lady:

Fit attractive blond in her mid thirties.

The Story:

A very good sensual massage with happy ending. Started off with a relaxing back, neck and shoulders massage. She then continued to lightly massage by bum working down to my inner thighs and balls (very arousing). She then massaged my legs for a bit before asking me to turn over.

By time I was very aroused. She continued to massage my genital area along with lots of nipple play before finishing me off with by hand for an explosive happy ending.

Nice girl, nice location, great service and good value for money.
