### The Story:

Wow, I just had my first session with Bella... All I can say is wow. I think I'm in love, in person she is absolutely stunning! She has an amazing pair of legs and her skin is sooo soft! Bella gives the most mind blowing explosive blow job, but nothing beats the A-level experience I had with her. I've not experienced anything quite like it... To top off a that, Bella can hold a good conversation! I have to admit... I'm hooked! She is my new 'favourite girl'!
