### The Premises:

Located near a car mechanics in Norbiton. Be warned: parking could be a bit tricky, but I went by local transport so it did not effect me. Its a small flat, ok inside and quite clean.

### The Lady:

I had a choice of two ladies. I went for Shakira. She looks like she comes from Turkey etc. Looks wise she is average looking, with good sized body (i.e not slim), bottle blonde. She was about 5'7 in height.

### The Story:

I paid for 30 mins massage, oral (with) and sex. Massage was ok, the oral was nice enough but brief. The sex was good, (doggy style) and we had nice chat afterwards. I left quickly because the room was way too hot. It was a nice encounter, but not amazing.
